PROFESSIONAL SUMMARY

Digital Marketing Manager with 5+ years in performance marketing across higher education, healthcare, real estate, retail and travel. I lead a 15-person paid media, SEO and analytics team at Purview Digital, running Google, Meta and LinkedIn Ads for 30+ clients in India, the USA, Canada and the UAE, including an INR 47.9M (c. AED 1.8M) JGU Online budget that delivered 151K+ leads. Hands-on with GA4, GTM, Power BI, SQL and Zapier; early adopter of AI-search (GEO).

CORE COMPETENCIES

Performance Marketing: Google Ads, Meta Ads, LinkedIn Ads, media planning, budget allocation, funnel and bid optimisation

SEO & GEO: Technical and on-page SEO, AI-search (GEO) optimisation, keyword research, content strategy

Analytics & Tracking: GA4, Google Tag Manager (GTM), Looker Studio, Power BI, SQL, Excel; AI tools: ChatGPT, Claude, Gemini, Perplexity, AI coding (vibe coding); design: Canva

CRM & Marketing Automation: HubSpot, Zoho, Brevo, ExtraEdge, Meritto, Zapier, CRM-ads-email integration, customer lifecycle journeys

Leadership & Business Development: Team leadership, KPI frameworks, market research and go-to-market decks, proposal design, client pitching, pricing, upsell and cross-sell; ATL/BTL, outdoor and print, admissions events, influencer partnerships

PROFESSIONAL EXPERIENCE

Manager, Digital Marketing & Analytics | **Purview Digital - Hyderabad, India** | *Jun 2025 - Present*

- Lead a 15-person team across paid media, SEO, content and analytics for 30+ client accounts in India, the USA, Canada and the UAE; set KPI frameworks and run performance reviews
- Rebuilt the agency's proposal template on the Purview brand and create client proposals that help business development close new clients; negotiate pricing and drive upsell and cross-sell
- Script and present on-camera Reels for the agency's own Instagram

O.P. Jindal Global University (JGU Online & JGU International Academy)

- Owned an INR 47.9M (c. AED 1.8M) budget over 13 months (Sep 2025 - Sep 2026) across Google, Meta and LinkedIn Ads for 30+ online programmes: 151K leads, ~3,200 qualified leads a quarter and 672 registration-fee payments
- Cut Meta cost per lead by 34% versus the previous agency, to INR 282 (c. AED 11)
- Created the best-performing Meta creatives for the M.A. in Criminology by pairing the programme with popular crime web series, replacing fact-only ads
- Lead SEO and AI-search (GEO): organic clicks +195% and organic leads +99% in 6 months; 80 of 116 tracked keywords at #1; built a custom GA4 "AI Assistant" channel, now a source of 120 leads
- Built Zapier automations sending every Meta and LinkedIn lead to sales sheets and the CRM in real time, saving 18 hours a week
- Built market research and go-to-market decks for 20+ JGU Online programmes (demand, personas, competitors, keywords, channel plan) and designed launch collaterals such as the offer letter in Canva

Graphic Era Group (Deemed to be University, Hill University, Institute of Medical Sciences, Hospital)

- Managed Google Ads for all four institutions; Graphic Era Hill University had its best quarter for conversions in Q3 2025, the highest since 2018

Village Eye Care (USA)

- Google and Meta Ads for two US eye-care clinics (USD 46.9K, c. AED 172K): 3,450 qualified patient calls at USD 12.68 (c. AED 47), ~700 booked appointments, 2.9x ROAS and CPA down 28% in 3 months

Other Clients: Real Estate, Retail, Travel, Healthcare, Events, PR and Branding

- Real estate (Provinz, Sujay Avalon, Navkar Studio, EZ Spaces, Vasavi Sky City): Google and Meta Ads with a 22% lead-to-site-visit rate
- Retail (Jain Kitchen World): Performance Max and Meta Ads for a store with no website: 3,821 direction requests and 435 calls at INR 11.71 per action
- Travel (Planvacations, Plan ur Vacations, Disha Travel Services): built the Dubai vertical end to end; rebuilt planurvacations.com and vibe coded the 14-page dishats.com with AI coding tools
- Healthcare (Science & Humans, Canada): wrote and published SEO blogs end to end (tags, images, on-page SEO); part of the social team on the content calendar, creatives and posting (top reel 128K views, LinkedIn page at 14.4K followers); wrote page content for the English website revamp
- Events and branding: Navkar Navratri Utsav (Google Ads, Instagram, landing page); Instagram rebrands for Win The Scale and Jain Kitchen World
- PR (JITO JPoint): part of the team behind a community car-buying drive (186 cars, ~INR 21 crore saved) covered by India Today and The Tribune; created a JITO magazine end to end

Deputy Manager – Digital & Social Media Marketing | **Ashoka University - Sonipat/Delhi, India** | *Jan 2024 - May 2025*

- Ran integrated admissions campaigns across Google, Meta, LinkedIn, YouTube, email and social, lifting student engagement by 40%
- Led Reels strategy (#AshokaConvocation2025, #GradChats): 14M+ views, 2M-4M per reel; YouTube videos at 100K-300K+ views and the channel monetised
- Google Ads: 432 conversions in 12 days at INR 185 (c. AED 7) each, with GTM conversion tracking; Zoho email at a 64% open rate; LinkedIn posts at 300-1,000+ interactions
- Ran content and the website for pre-college programmes: YSP brochure and 12+ flyers designed in Canva, the monthly Beyond High School magazine, 50+ blogs, website maintenance, on-page SEO and banners
- Managed an INR 2.5M (c. AED 96K) offline budget across outdoor, print and 5+ open days; built Power BI and Excel dashboards for leadership

Marketing Executive | **Aliens Group Pvt Ltd (Real Estate) - Hyderabad, India** | *Oct 2021 - Dec 2023*

- Supported my manager on an INR 10M+ (c. AED 380K) outdoor, site, newspaper and influencer budget: coordinated 4-5 agencies, tracked deliverables, followed up, and wrote and published content
- Supported Google and Meta Ads with ad copy, data analysis and dashboards, contributing to a 30% lift in campaign ROI
- Owned organic Instagram for two project handles: Aliens Hub 10K to 18K followers (+80%), Aliens Space Station 13K to 17K (+31%)

Digital Marketing Intern | **Village Fresh Nutriment Pvt Ltd (Sarvfresh, FMCG) - Varanasi, India** | *Dec 2019 - Oct 2021*

- Grew organic social media reach by 50% through targeted content and audience analysis
